For your guidance during the four years of our high school career,
your patience, and understanding, we wish to express our sincerest
thanks.

To you, our parents may we extend our appreciation for a good
foundation upon which we have built and will continue to build
our lives.

FOREWORD

Our athletic field, which has proved to be an excellent source of recreation for both the Geneva students and the Geneva townspeople, has been growing steadily each year since its beginning in 1953. The newest additions are the tennis courts, the track, and the basketball court.

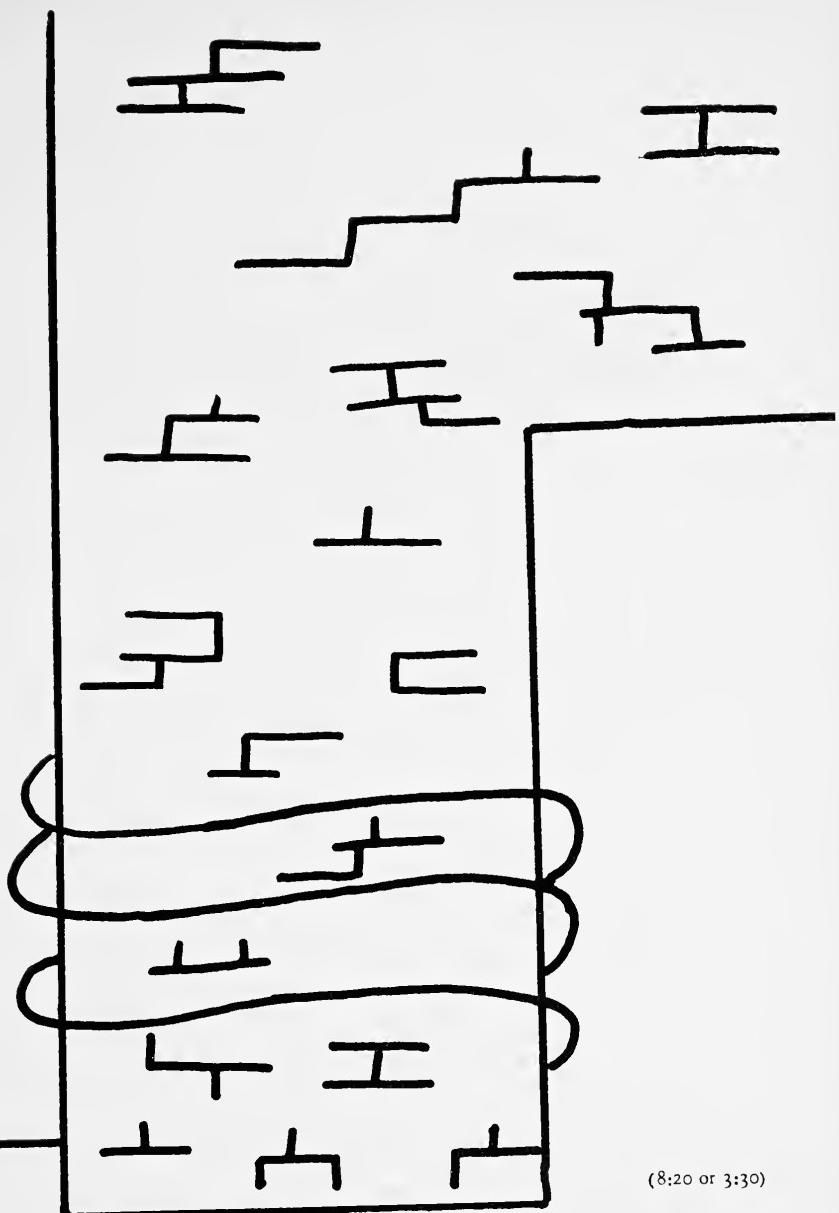

A summer program, under the direction of Mr. Schutz, has been initiated within the last year. It includes games for younger children, sports of all types, and crafts.

THE BABY-SITTER

Every trouble that ever happened to a baby-sitter happens to Carrie tonight! She thought she was all through with baby-sitting, and that she has a wonderful date with Bob all set. Bob can hardly force out the words to tell her that he's under strict parental orders to break this date! His folks have cracked down because he gets in so late from his dates with Carrie. They don't realize that Bob has just been staying up to see her home safely from her sitting jobs. Then a sudden emergency arises. Bob's folks have an important engagement and their baby-sitter can't come. Carrie offers to take the job. She doesn't realize what a little devil she's being left to watch. Junior gets Carrie suspected of twisting his arm and blames her for breaking a window. Then Junior swallows either a mushroom or a toadstool. Carrie forces every antidote in the medical book down his throat. When the others burst in on this scene, they're convinced Carrie is trying to murder the little darling! The play builds rapidly to a surprising and delightful end with Carrie "on top of the world."

SENIOR MEMORIES

As we look back in memory to the beginning of our education in 1944, we remember a class of 35 prize first grade pupils. Nolan Koons was so smart that Miss Fravel had him stand outside the first grade door several times to wait until the rest of the class caught up with him.

Time passed, and we changed little. Sometime during our fifth year, Mark Hylton discovered he liked butterflies and began what Mrs. Augusburger calls an "extraordinary collection." (I wonder if someone will ever chase Mark with a net).

During the years, several of our classmates deserted us. However, we found others to replace them, and they have succeeded admirably. A few of the teachers who gravely instructed us in our formative years have disappeared also--those remaining are Miss Fravel, Mrs. Shephard, Mrs. Augusburger, and Mr. Long.

In high school we sold magazines; had bake and noodle sales; and sold candy, pop corn, and cokes during noon hours and ballgames. We presented two plays, "Father Knows Best" and "People are Funny", under the direction of Mrs. Rhoades and Mrs. Van Matre.

Some of the moments we will always remember are the day we received our class rings (and some of the fellows lost them), receiving our graduation pictures, sending out graduation announcements with name-cards enclosed, and the night one of our senior fellows tried to sneak in a basement window to see a bunch of redheads play basketball.

Of course, the happiest and saddest night of all was graduation night, May 11--the last time we were together as a class--the night we became alumni of G. H. S. and left the school to go our separate ways.

PEOPLE ARE FUNNY

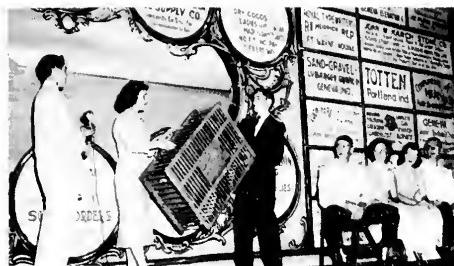

The Seniors presented "People are Funny" on October 14, 1955
at 7:30 p. m. in the Geneva High School Gym.

For several years, Art Linkletter's, "People are Funny," broadcast, according to official ratings, has been among the most consistently popular of all radio shows. In the play, there are several studio scenes utilizing actual and convulsively funny routines from the radio show. These alone are worth the price of admission, but they are only garnishments for the main plot, which concerns Roscoe Higginbottam, a painfully shy young man, who is a contestant. He is told he will be awarded a convertible coupe if he can succeed, within one week, in making a date with a girl named Betty Vernon, whom he has never seen. Betty has been informed that a mysterious "Mr. X" will call on her, and Roscoe sets out for her house to present himself as "Mr. X". But, what Roscoe does not know is that Betty has been bombarded by a series of strange gifts. Another fact, which has been kept from Roscoe, is that Betty's father is reputed to be the most terrible tempered man in town, having been known to perform physical mayhem upon suitors for his daughter's hand. From this start, the play careers along with never a dull moment in its three fun-filled acts.

CROSS COUNTRY

The Cross Country Team had a very successful season this year. They won the majority of their meets including the County Meet and the Berne Invitational Meet. Most of the county teams participated in these cross country events. In winning these meets, the boys have added many trophies to our trophy case.

FRESHMEN TEAM

The Freshmen Team, coached by Jack Lee, had some tough luck this year; winning 2 and losing 8. The boys were in there fighting all the time, though, and showed great spirit. Better luck next year, boys.

INTRAMURAL TEAMS

(building constructed from badly made blue-prints)

Monday and Wednesday every week, during the noon hours, Intramural games were played. These games created much interest among players, students, and faculty. As in the past years, 4 teams and their captains were chosen. The captains were Garth Sprunger, Marvin Proffit, Jim Kirchhofer, and Delane Macklin.

The student managers, Ed Pace, Larry Nevil, and Joe Brown, did a fine job this year in assisting the players and the coach. They did a lot in keeping up the team spirit, and we hope to see them on the job next year.

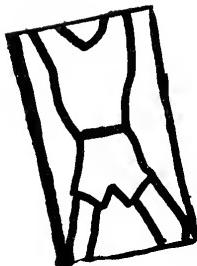

Thank you, fellows!

(Mr. Smith at a basketball game)

Junior High baseball was started for the first time this year. Coached by Jack Lee, the boys ended the season with 2 losses and 1 tie. However, with more experience, we feel they will do much better next year. Good Luck, Boys!

CONCERT BAND

In the music department, the Concert Band plays most of the serious type music which is done each year. A little older and a little better--the Concert Band has again this year made much progress on the road to perfection. In addition to the regular concert series, the band participates each year in the County Music Festival and the District Music Contests.

This year the Marching Cardinals made appearances at the State Fair, Berne Harvest Jubilee, Ball State Band Day, Indiana University Band Day, and placed 3rd at the Bluffton Street Fair Contest.

GENEVA'S MARCHING CARDINALS

Every year the Marching Cardinals present a series of shows at the home basketball games. A little something extra was added to this year's shows with the use of the new cap lights which the athletic department bought for the band. The band was also featured in an article in the INSTRUMENTALIST Magazine.

JUNIOR BAND

This sharp group of 6th and 7th graders spent much time rehearsing and preparing themselves for the future with the Junior Band. This year, for the first time, the Junior Band marched in a parade and made numerous other appearances at basketball games, the P. T. A. Concert, and Contest.

PEP BAND

Rock and Roll and Rhythm and Blues--yes, that's our Pep Band. This group was kept busy playing pep sessions, away ball games and tournaments.

SENIOR MAJORETTES

This quintet of young beauties have added a lot of extra spice to the Marching Cardinals this year. They are Hope Myers, drum majorette; Janice Van Emon, Patsy Mathys, Marcella Daily, and Becky Baker.

JUNIOR MAJORETTES

In order that we will always have a fine group of twirlers, the Senior Majorettes are training a group of girls from each of the first 5 grades. We predict a bright future for twirling here in school.

CONCERT CHOIR

The Concert Choir this year was a select group of 32 picked vocalists from the more than 60 who tried out in the fall. Through the generosity of the P. T. A., the entire group was outfitted with grey robes with red and black stoles. The choir made appearances in chapel, a fall concert for the P. T. A., County Music Festival, the Christmas program, the Farmers Institute, District Contest, the Spring Festival, and Baccalaureate.

FUTURE FARMERS OF AMERICA

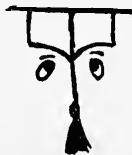

The Geneva Chapter of the Future Farmers of America has had several good projects this year. A few are as follows: farming the Red McClain farm--the crops did very well; putting the roof on the log cabin at Afolder's Park; selling vegetables and flower seeds; taking a tour to see the projects of different members; having some fieldmen from a milk company show slides and give a talk on the different phases of dairy farming; and having a hayride and party.
